

# Flat-Pack 105

Frame profile cross section - UA34339

105mm deep Flat-Pack LED lightbox that is engineered to operate as a wall-mounted display to maximise visibility whilst preserving floorspace.

FP 105 lightboxes can be supplied with illuminated support posts to enable the creation of larger displays that can be disassembled for transportation and storage.

The printed fabric graphics that are secured directly into the aluminium frame can be replaced in conjunction with seasonal trends, interior design updates, product promotions and more.

**Quick specifications**   ● = Standard option / ○ = Optional get in touch for more information / – = Not available.
